Sea Turtle Conservancy is excited to announce their 15th annual "Tee Off for Turtles" sea turtle awareness and fundraiser golf outing at Aquarina Country Club. This naturally stunning, certified Audubon Cooperative Sanctuary Golf Course is located in the heart of the Archie Carr National Wildlife Refuge, one of the most significant sea turtle nesting beaches in the world.

Sea Turtle Conservancy was founded in 1959 by sea turtle expert Dr. Archie Carr. Dr. Carr was dedicated to saving these ancient creatures from extinction through science-based conservation.

It is the mission of Sea Turtle Conservancy to ensure the survival of sea turtles through research, education, advocacy and protection of the natural habitats upon which they depend. Over the course of 67 years Sea Turtle Conservancy has yielded much of what is known about sea turtles and the threats they face, and is applying this knowledge to carry out the world's most successful sea turtle protection and recovery programs.

Sea Turtle Conservancy has partnered with Brevard County's Environmentally Endangered Lands Program for 22 years to help protect its fragile natural resources and important sea turtle nesting habitat and offers education and stewardship opportunities at the Barrier Island Center. We hope that you will join in supporting our efforts to help save sea turtles!
