

Sea Turtles, Stewardship & Much More!

# Eco-Explorers Summer Camps 2018

for Ages 8 to 15

Where children make special connections with ocean to lagoon habitats and wildlife while sharing fun adventures on the water!

Their journey begins with a sea turtle encounter, followed by snorkeling to discover the world beneath the sea, then kayaking and paddle boarding to explore the diversity of life on the lagoon, and then surfing to experience the elements of the ocean and beach that attracts more nesting sea turtles than virtually any place on earth!

Camps are June 4-8, 11-15, 18-22 and 25-29 from 9 a.m. to 3 p.m. Cost of \$325 includes transportation, certified aquatic instructors, equipment, t-shirt, one year Sea Turtle Conservancy honorary e-membership, and a complimentary guided sea turtle walk with preferred reservation! Enrollment is limited to 13 children each week. For availability email [donnalee@conserveturtles.org](mailto:donnalee@conserveturtles.org) or call 321.723.3556.

Offered by Sea Turtle Conservancy in partnership with Brevard County Parks and Recreation, Environmental Endangered Lands Program at the Barrier Island Sanctuary, 8385 Highway A1A, Melbourne Beach, Florida 32951
